Dear Dave -

Some years ago, you helped me with respect to family genealogy relating to Irma Ranney - in particular, you shared your "*Our Line of the Ranney Family*" - or at least selected pages - with me, including some of the great bios that Anne McBride produced. Recently, I attempted to contact you via your old @techinfo email address, but was not successful.

Now I am working on "*Blackledge Stories*" - this I envision as a companion volume to "*Blackledges in America*", containing anecdotes, memoirs, and images from the descendants and extended family of Lewis (H.) Blackledge of Red Cloud, NE.

Could you let me know if you published your "*Our Line of the Ranney Family*" or submitted copies to Libraries for inclusion in their Family History collections? I would appreciate hearing from you - my mailing address and email address are in the header, but feel free to call me. Bonnie and I spend quite a bit of the summer "squirreled away" at our cabin up in Northern New Mexico, but we can usually be reached by email or cell phone.

Thanks again,

Michael A. Blackledge
